

# Pumpkin Stem Pattern

For each pumpkin, cut 3 from felt. Fold one stem in half and \* make a backstitch  $1/4$ " from the folded edge, using embroidery floss. (You can use the sewing machine if desired.) Repeat for the other 2 stems.

Match edges together and sew a  $1/4$ " seam up each side.

To close opening, take a couple of stitches in the top of the stem. Blind stitch the stem to the pumpkin.
